Guangdong-Hong Kong-Macao Greater Bay Area

Overview
The Guangdong-Hong Kong-Macao Greater Bay Area (Greater Bay Area) is a vibrant city cluster that comprises the Special Administrative Regions of Hong Kong and Macao, as well as nine municipalities in Guangdong (Guangzhou, Shenzhen, Zhuhai, Foshan, Huizhou, Dongguan, Zhongshan, Jiangmen and Zhaoqing). Collectively, they represent a vibrant economic force of over 71 million people, with a GDP of more than US$1.6 trillion.

Outline Development Plan
The State Council promulgated the Outline Development Plan for the Guangdong-Hong Kong-Macao Greater Bay Area (Outline Development Plan) on February 18, 2019. The Plan covers the period up to 2022 in the immediate term, extending to 2035 in the long term. Key strategies include:

- Spatial layout, namely building on the four core cities of Hong Kong, Macao, Guangzhou and Shenzhen as core engines for regional development, leveraging the core cities’ comparative advantages in striving for excellence and achievements, and strengthening the radiating effect in leading the development of nearby regions.
- Policy measures for developing an international innovation and technology hub, expediting infrastructural connectivity, building a globally competitive modern industrial system, taking forward ecological conservation, developing a quality living circle for living, working and travelling, strengthening co-operation and jointly participating in the Belt and Road Initiative, jointly developing Guangdong-Hong Kong-Macao co-operation platforms, as well as the implementation of the Outline Development Plan.
- The Outline Development Plan supports Hong Kong in consolidating and enhancing our status as international finance, transportation and trade centres as well as an international aviation hub, making great efforts to develop the innovation and technology industries, and establishing Hong Kong as the centre for international legal and dispute resolution services in the Asia-Pacific region, etc.

Work focus of HKSAR Government
Following the promulgation of the Outline Development Plan, the Chief Executive set out the Government’s work focus in taking forward the development of the Greater Bay Area:

- Consolidating and enhancing Hong Kong’s status as international financial, transportation and trade centres and aviation hub
- Developing an international innovation and technology hub.
- Strengthening infrastructural connectivity
- Expanding the scope of development for sectors in which Hong Kong’s strengths lie
- Fostering youth innovation and entrepreneurship
- Fully utilizing Hong Kong’s international connections and networks to promote the Greater Bay Area overseas and attract capital and talent to the Greater Bay Area

Greater Bay Area Opportunities

- Strategic significance for Hong Kong in two key aspects: diversification of the economy and of industries; and forming a quality living circle in the Greater Bay Area to expand the living space of Hongkongers
- World-class professional services of Hong Kong, such as legal, accounting, architecture and engineering services
- Plays to Hong Kong’s fundamental strengths under the “one country, two systems” principle, including international connections, trusted common law system, and free flows of capital, information and talent
- Commissioning of the Hong Kong Section of the Guangzhou-Shenzhen-Hong Kong Express Rail Link and the Hong Kong-Zhuhai-Macao Bridge in 2018 promotes cross-boundary business activities and creates a “one hour living circle” in the Greater Bay Area
- The Mainland and Hong Kong Closer Economic Partnership Arrangement (CEPA) is a unique free
trade pact that accords tariff-free treatment to goods of Hong Kong origin upon importation into the Mainland and basically achieves liberalisation of trade in services. Besides, Hong Kong investments and investors enjoy investment protection and facilitation in the Mainland; and both sides have agreed to enhance economic and technical cooperation in 22 areas.

- Financial incentives and subsidies are available for eligible talents from Hong Kong (including professionals like accountants, engineers and lawyers) in certain Mainland areas such as Qianhai and Nansha as provided for under the relevant Mainland rules and regulations.

**Hong Kong’s role**

Under "one country, two systems", Hong Kong enjoys the dual advantages of being part of China, while maintaining its global outlook and institutional advantages.

- **Financial services:** Hong Kong is an international financial centre and the world’s leading offshore RMB business hub; full range of globally benchmarked services such as banking, financing, investment, insurance, asset and wealth management and offshore RMB businesses.
- **Legal services:** With the common law system, strong rule of law and independent judiciary, Hong Kong can act as a "deal maker" and “dispute resolver” for enterprises and can serve as the international legal and dispute resolution services centre for the Greater Bay Area. Hong Kong arbitral awards are enforceable in over 160 Contracting States to the New York Convention. This is complemented by respective arrangements for reciprocal enforcement with Mainland China and Macao.
- **Business services:** Hong Kong has a full range of mature business services, including expertise in marketing, accountancy, project management and risk management, logistics, supply chain management and maritime (such as ship finance, marine insurance and maritime legal and arbitration) services.
- **Innovation and Technology (I&T):** With top-notch tertiary institutions and outstanding scientific research achievements, a robust intellectual property protection regime, advanced financial infrastructure, free flow of information and a vibrant business environment, Hong Kong is well placed to become an international I&T hub.
- **Creative services:** Hong Kong’s creative services, including design, marketing and architectural services, attract attention from markets around the world.

**High-Level Collaboration**

- Framework Agreement on Deepening Guangdong-Hong Kong-Macao Cooperation in the Development of the Greater Bay Area signed by the governments of Guangdong, Hong Kong and Macao and the National Development and Reform Commission on July 1, 2017.
- The Central Government has set up a high-level Leading Group for the Development of the Guangdong-Hong Kong-Macao Greater Bay Area (Leading Group) chaired by Vice Premier Han Zheng to co-ordinate and steer the development of the Greater Bay Area.
- A Steering Committee for the Development of the Guangdong-Hong Kong-Macao Greater Bay Area is chaired by the Chief Executive, with its membership comprising all Secretaries of Department and Directors of Bureau.
- The Constitutional and Mainland Affairs Bureau will set up a Guangdong-Hong Kong-Macao Greater Bay Area Development Office and appoint a Commissioner for the Development of the Guangdong-Hong Kong-Macao Greater Bay Area to implement the relevant work.

**Cross-boundary Co-operation**

- **Finance:**
  - Expediting the implementation of the Wealth Management Connect under which residents in Hong Kong, Macao and nine cities in Guangdong Province could carry out cross-boundary investment in wealth management products distributed by banks in the Greater Bay Area.
  - Support Hong Kong’s insurance industry establish after-sales service centres in the Mainland cities of the GBA to provide Hong Kong, Macao and Mainland residents holding Hong Kong policies with comprehensive support.
  - Establish the Pan-Greater Bay Area Inward Investment Liaison Group to enable InvestHK and its counterparts in GBA cities to develop joint inward investment proposals to enhance synergy.
- **Legal:**
  - The Co-operative Arrangement on Legal Matters signed between the Department of Justice of
HKSARG and Shenzhen Municipal People’s Government enhances mutual legal collaboration and exchanges. Under the CEPA framework, partnership associations between Hong Kong and Mainland law firms have been set up in the Guangdong Province with Hong Kong lawyers seconded or employed there. Hong Kong legal practitioners have also been retained as legal consultants by Mainland law firms in the Greater Bay Area.

- The Standing Committee of the National People’s Congress passed a decision in August 2020 to authorise the State Council to commence the implementation of a pilot programme for Hong Kong legal practitioners to obtain Mainland practice qualifications and to practise law in the Greater Bay Area. The State Council published guidelines on the pilot programme specifying the requirements for the legal professional examination, the scope of business and more in October.
- The Regulations of the Qianhai Shenzhen–Hong Kong Modern Service Industry Cooperation Zone of the Shenzhen Special Economic Zone were amended and approved in August 2020. Hong Kong, Macao, Taiwan and foreign enterprises registered in Qianhai Cooperation Zone can, in the absence of any foreign-related elements, agree on the choice of applicable law, including Hong Kong law, in their civil and commercial contracts.
- The Department of Justice of the HKSARG and the High People’s Court of Guangdong Province signed a framework arrangement on exchange and mutual learning in legal aspects in September 2019, under which the two sides agreed to encourage and facilitate courts in the Guangdong Province and relevant legal bodies in Hong Kong to launch projects on legal exchange and mutual learning, as well as conduct relevant training.
- The Department of Justice of Guangdong Province, the Secretariat for Administration and Justice of the Macao Special Administrative Region and the Department of Justice of the HKSARG have agreed to establish a joint conference mechanism among the three legal departments to strengthen legal exchanges and collaborations between the three places with a view to jointly promoting legal development in the Greater Bay Area.

- **Innovation and technology:**
  - The Ministry of Science and Technology and HKSARG signed the Arrangement on Enhancing I&T Cooperation between the Mainland and Hong Kong in September 2018 to enhance I&T cooperation and exchanges between Hong Kong and the Mainland. Both sides also signed a research funding agreement to encourage research and development co-operation. The new “Mainland-Hong Kong Joint Funding Scheme” has been launched. Besides, universities and research institutions in Hong Kong may apply for science and technology funding of the Central Government and use the funding granted in Hong Kong.
  - Hong Kong is working with Shenzhen to jointly develop the Lok Ma Chau Loop into the Hong Kong-Shenzhen Innovation and Technology Park.

- **Healthcare:**
  - Implementing as soon as possible the arrangement of using Hong Kong-registered drugs and medical devices used in Hong Kong public hospitals at The University of Hong Kong – Shenzhen Hospital on a trial basis subject to the approval of the Guangdong Province, and extending the policy to cover more designated healthcare institutions, drugs and medical devices in a timely manner.
  - To allow proprietary traditional Chinese medicine products for external use registered in Hong Kong to be also registered and sold in the GBA through a streamlined approval process.

- **Transport:**
  - Press ahead with the “Quota-free scheme for Hong Kong private cars travelling to Guangdong via the Hong Kong-Zhuhai-Macao Bridge (HZMB)”, facilitating Hong Kong residents to drive to Guangdong Province for business, visiting families or sight-seeing on a short-term basis; and draw on the implementation experience of the scheme and proactively study the extension of the scheme to a Hong Kong/Shenzhen land boundary control point, such that Hong Kong private cars can travel to both the eastern and western parts of Guangdong.
  - Rationalise the Hong Kong-Shenzhen land boundary control points by adjusting the functions and extending operating hours of some of these land boundary control points to progressively implement the “East in East out, West in West out” planning strategy for cross-boundary goods traffic.

- **Creative:** The Hong Kong-Shenzhen Design Innovation Hub (now named “Zetta Bridge, Qianhai Shenzhen”) was opened in 2019. It becomes an exchange platform to boost further collaboration between Shenzhen and Hong Kong in design and creative industries.

- **Education:** Support and assist Hong Kong universities’ plans to provide education services in the GBA.
Youth Employment: Launch the GBA Youth Employment Scheme, the Funding Scheme for Experiential Programmes at Innovation and Entrepreneurial Bases in the GBA and the Funding Scheme for Youth Entrepreneurship in the GBA to enhance the career development opportunities for young people in the GBA.

Equine Industry: Jointly promote the development of equine industry in the GBA through collaboration with the Hong Kong Jockey Club and its racecourse in Conghua, Guangzhou.

Policy Measures by the Central Government
Since July 1, 2017, new measures were introduced by the Central Government to facilitate Hong Kong people’s development in the Greater Bay Area. Major facilitation policies and measures include:

- Mainland higher education institutions must accord equal treatment to Hong Kong and Macao students in admission, nurturing, management and supporting.
- Removing the requirement for people from Hong Kong and Macao to apply for employment permits to work in the Mainland.
- Allowing Hong Kong and Macao people working in the Mainland to join the Housing Provident Fund.

First plenary meeting of the Leading Group on August 15, 2018: the Central Government introduced a resident permit to facilitate Hong Kong people’s development in the Greater Bay Area.

Second plenary meeting of the Leading Group on March 1, 2019: eight new measures were introduced:

- The method for calculating “183 days” for paying individual income tax in the Mainland.
- Providing tax relief by municipal governments to non-Mainland (including Hong Kong) high-end talent and talent in short supply.
- Supporting the open recruitment of Hong Kong and Macao residents by public institutions in the Greater Bay Area.
- Encouraging innovation and entrepreneurship in the nine Mainland cities of the Greater Bay Area by the youth of Hong Kong and Macao.
- Supporting higher education institutions and scientific research institutes from Hong Kong and Macao to participate in projects under Guangdong technology programmes.
- Introducing immigration facilitation reform pilot schemes in the Greater Bay Area.
- Facilitating vehicles from Hong Kong and Macao entering and exiting Mainland ports.
- Expanding the implementation scope of the connection with the Speedy Customs Clearance between Customs administrations.

Third plenary meeting of the Leading Group on November 6, 2019: 16 new measures were introduced:

Policies and measures benefiting members of the public

- Facilitating property purchases by Hong Kong residents in the Mainland cities of the Greater Bay Area.
- Supporting the use of mobile electronic payment by Hong Kong residents in the Mainland.
- Pilot scheme for Hong Kong residents to open Mainland personal bank accounts in the Greater Bay Area remotely by attestation.
- Ensuring that the children of Hong Kong and Macao residents enjoy the same education as those of Mainland residents.
- Exploring the establishment of a cross-boundary wealth management scheme.
- Facilitating non-Chinese Hong Kong permanent residents to travel to and from the Mainland cities in the Greater Bay Area.
- Permitting the use of Hong Kong-registered drugs and common medical devices in designated Hong Kong-owned healthcare institutions in the Greater Bay Area.

Policies and measures supporting professional services

- Measures on partnership associations by Hong Kong and Mainland law firms, legal consultants and special examinations.
- Further extending the scope of mutual recognition of qualifications for construction professionals
- Expanding the scope of liberalisation measures for construction professionals from Hong Kong and Macao to practise in the Mainland.
- Preferential treatment on insurance regulation.
- Removing the requirement on years of operating experience for Hong Kong service suppliers to provide insurance loss adjusting services in the Mainland.
- Supporting bond market development in Hong Kong and Macao (catastrophe bonds).

**Policies and measures supporting innovation and technology development**

- Supporting the development of the Shenzhen-Hong Kong Innovation and Technology Co-operation Zone.
- Facilitating customs clearance of imported animal-derived biomaterials.
- Relaxing the limitation on exporting Mainland human genetic resources to Hong Kong and Macao.
